

ERA FOUNDATION LAUNCHES UNI-GAUGE-A PAN –INDIA ASESMENT PLATFORM FOR STUDENTS SEEKING ADMISSIONS TO UNIVERSITIES

Bangalore. Era Foundation-Education, Rating and Assessment foundation- launched Uni-Gauge, the assessment platform for graduates and undergraduate students seeking admissions to universities.

ERA Foundation aspires to make uni-Guage the preferred entrance testing platform for the Indian universities and the student community. Uni-Guage separates 'entrance evaluation' and admission processes. Uni- Gauge offers computer-aided, pan-India entrance evaluation platform. The brand Uni-Guage stands for trust, transparency, credibility, reliability and aspects.

The programme is attended by **Dr.M.R.Jayaram.Co-Promoter of ERA Foundation. Dr.G.Viswanathan, Co-Promoter of ERA Foundation and Mr. S.V.Ranganath, Chairperson of Board of Governors, ERA Foundation and former Chief Secretary of Karnataka.**

The partner universities will take Uni-Guage scores, but will have complete autonomy on their admission process. In addition, they will derive several benefits, including.

- Improve their ability to access students across the country**
- Have a reliable, efficient, technology enabled entrance test**
- segregate entrance evaluation and admission process**
- Rationalize costs for marketing-for accessing and admitting students**
- Collaborate and network with other member universities and associations across India**
- Participate in shaping and influencing regulation and policy for education in India**

The first Uni- Gauge post Graduate Medical and Dental 2015 will be held on 15th February, 2015. This would be a pan-India, online, computer, aided, multi-university examination, conducted in more than 30 cities; those cater to students across the country.

ERA-Foundation has partnered with TCS Ion, India's leading test administration organization for Uni- Gauge.
